# SYDEX WITH WEAKENING

- Fixed length security seal (obtained loop cannot be tightened).
- Manufactured and developed by Peever International nv.
- Can be used in combination with Tyden Tie to cover longer distances.
- With this variant with weakening you do not need any tools to remove the seal.
- Also available without weakening for situations where a firmer version is advisable.
- Various applications: trucks, TIR cords, emergency exits, roll containers, lockers, doors, ...
